WHAT IS BREADCRUMBS

As a card game, Breadcrumbs triggers meaningful conversations about faith and life. It can help players:

- Become intentional in their faith journey
- Build relationships other players
- Build a relationship with God

It can be enjoyed by anyone who's open to sharing about their faith journey, including:

- Baptised Christians
- Those soon-to-be baptised
- Non-Christians curious about Christianity

THE FOUNDATION

Breadcrumbs is inspired by Jesus himself, who teaches by asking powerful questions. In the Gospels, the conversations that follow his questions are both revealing and life-giving.

Breadcrumbs aims to help players examine how they practice their faith and bear fruit in their lives.
